Merrily Sallan

Dear Merrily,

I am faced again with not knowing what to say, but I promise not to use the space I did last time. This is a gift of several senior friends of yours. I shall try to remember who as I lost my list. Our ~~apocket~~ took change over!! I think the boxes are given, Diana, Joyce, Mary Ann, Jolli, Shirley, myself, and 1 or 2 others, I'm sure. (Damn me!)

Well, all the luck and happiness in life shall go your way as you well deserve it, I know. I <sup>hope</sup> we can always keep up with each <sup>other</sup> though distances separate us. You are in my book of people to always fondly remember.

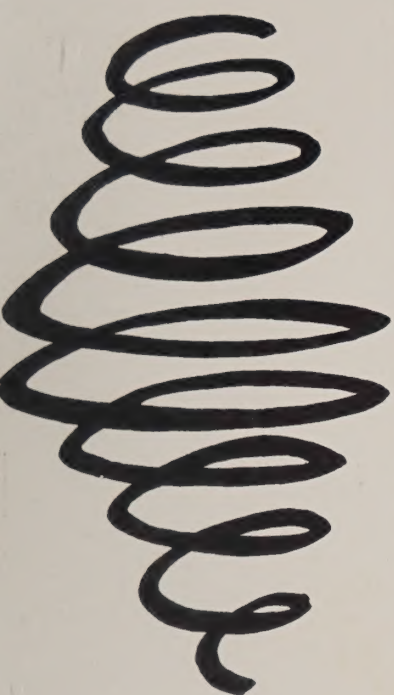

Love,

Jeannette

P.S. Don't know  
you!

## FOREWORD

serve these memories in

students of H.H.S., made it;  
you lived it. Here it is —

# FRIENDS ABROAD

The Hornet Staff wishes to include in these pages three persons who are not actually a part of our student body, but who have contributed to life at Herndon this year - former HHS students, Merrily and Ann Gollan, and our foster child, Kim Yung Soon in Korea.

Merrily, this year, is a senior and Ann, a junior at the International School of Bangkok in Bangkok, Thailand. Constant communication has been maintained with these girls by their friends in an unceasing flow of letters. We here at Herndon have greatly benefited from this exchange, which has resulted in a better understanding of Thailand's customs and the establishment of a student newspaper exchange between our school and that in Bangkok.

Yung Soon, an eleven-year-old Korean, is one of five children, four of them dependent upon their widowed mother for support. With the aid of an uncle, the mother's daily income of \$.30, and a few pennies from fourteen-year-old Sung Hwan's paper peddling, the family has managed to exist. The SCA, official foster parent of Yung Soon, has contributed some aid to the family. It is hoped that the program can be further developed in the future. Yung Soon has been described as a kind, polite, and talented youngster, deserving of any help that we can offer.

With the HORNET '61, we wish to send to these three girls thanks for their enrichment of our school year and best wishes for the future.

In blest remembrance still will last.

The one we loved, no longer here,

In memory's chambers still is near.

Dearest Merryly,

How isn't that sweet! You don't know how glad I am that you are home at last. I know you have had both good and bad experiences during the past year but "into every life a little rain must fall" and I am sure you will benefit from these in the long run.

If my writing seems a little sloppy it's because I'm writing in practically no light at all. I'm at Jeanvalley & the lightning (oh I forgot to mention that there's a storm going on) struck the power lines. Kaput! No lights!

Well, now that you are home we shall see lots of each other. I'll be in D.C. all week, every week this summer so we can have lunch together and hash over old times.

P.S.

Via con dies.

(I hope that's right!)

Love always

Patti

Merrily,

The 2 Horses are getting along fine.  
I enjoy riding Queenie very much.

I was about ready  
to say the same thing  
my brother did! I've had  
lots of good times with the horses.  
But this winter it was a little hard  
to ride very much! But I back.

Always,

Hi Mary!

Even though we don't see you much it's good (understatement) to hear you back again. I wish you could (or would) come out one way or another. I'm writing this in the senior class auction, which is a partial excuse (I hope) for my handwriting. Anyway, your friend (always)

Chris

Hi, Merib. you in el Espana,  
I missed you and am glad you're back  
and am glad I can see  
come out so I can see  
you to talk to you.  
Ahhhh

Hi!  
It's been  
a long time since  
I've seen you.  
I hope you have a  
fun time at Bonquet.  
See you soon.  
Bantzel

Hello.

I enjoyed tremendously our  
brief meeting the other night  
when the Martins brought Anne  
(I forgot, Laurie!) back from the  
party. I hope to see you again very  
soon so that you can tell me  
a little about your exciting experiences  
of the last year. You'll be happy  
to know that the prom was a great  
success. All the worry and hard work  
wasn't for naught, I guess. The fireproofing  
of the murals had me scared to death -  
we didn't get the boic acid until late  
Friday morning and the fire inspector  
was due at 1:20. The weather forecaster predicted  
rain for Friday - but he was dead wrong, thank  
goodness! Well, everything passed the test, murals  
started going up, the paddle wheel was painted,  
the cafe, <sup>was</sup> set up and painted, the trees <sup>was</sup> brought  
in, and everyone dropped dead - almost!  
Have a relaxed, interesting summer.  
Your friend,  
Joan

P.S. - We just bought today (June 4) bought Mrs.  
Nashman's grande piano.
